

# SURGE PATROL 1400

## Versatile Performance for Work or Play

The Rapid Surge 14-ft Trihull Boat is a compact and versatile vessel built for both professional utility work and recreational adventures. Its stable tri-hull design, fuel-efficient 40HP outboard engine, and no-slip, self-bailing deck make it ideal for patrols, rescue missions, maintenance tasks, or simply cruising with family. With seating for up to 6 people and upgrade options like custom paint, bimini top, and sport variants, the Rapid Surge delivers dependable performance, safety, and style in one rugged package.

## Key Features:

### Stable Operations

Trihull design ensures a steady platform, perfect for maintenance tasks and patrol duties, even in rough waters.

### Power and Performance

Equipped with a 40HP outboard motor, delivering dependable speed and maneuverability for quick response and efficient coverage.

### Rugged Durability

High-density fiberglass hull, UV-resistant gel coat, and heavy-duty marine-grade rub rails withstand tough environments.

### Utility-Driven Upgrades

Optional remote console for precise control, bimini top for sun protection, and custom seating to optimize space for equipment and crew.
